# PLACEMENT REPORT

Batch 2020 - 2022

## THE FUTURE BEGINS HERE AT N. L. DALMIA

We believe that students must be empowered with the right leadership skill set so that they can chart their own path to success. Our journey with our students only begins after we make them industry-ready. We go the extra mile and open doors to opportunities for them to serve key positions in some of the biggest Fortune 500 organizations.

Over the years, the Institute has maintained an excellent placement track record as recruiters notice the potential in our students and the value they can bring to their companies. The following report provides insights into how our placement programme has helped our students secure their dream jobs.

Even during unfavorable market conditions and challenging times, the period of 2020 - 2022 was a promising one for our students and has seen participation from conglomerates like **Abbott, Aditya Birla Group, Bloomberg, Bain & Co., CRISIL, Deloitte, Edelweiss, Hindustan Unilever Limited, HDFC Ltd., ICICI Bank, L&T Financial Services, Morgan Stanley, Network 18, KPMG, Tata Consultancy Services, Bennett Coleman & Co.
