# SUMMER INTERNSHIP

## MOCK INTERVIEWS

Internships are an integral part of our students' Career trajectory, which provide them with a short experience of how corporations function.

To aid the students to secure summer internships, the Alumni Relations Committee, in a joint venture with the Placement Committee, organised Mock Interviews for the students.

Conducted on a large scale, spread out over the course of 3 days, with 35+ alumni and for 240 students, the event successfully managed to provide the students with an insight as to how their summer internship interviews would be conducted in real time.

Furthermore, it was an event that reconnected the alumni with the college and at the same time gave them an opportunity to give back to the college.

As I walked into the NLDIMSR campus, I was humming the song “Purani Jeans Aur Guitar” by Ali Haider.

Pahunchna college hamesha late  
Vo kehna sir ka(Late Prof PL Arya) Get out of the class  
Table bajaake,Vo gaane gaana  
Baatein reh jaati hain,Bas yaadein...

Feeling Nostalgic, read ahead...

“The Happiest Place on Earth”- Disneyland, this is the true reflection of my recent visit to the campus, the day also coincides with World Education Day (24<sup>th</sup> Jan’2023) What one enjoys in Disneyland is the flow of the entire cast and crew. Just Imagine, you are in a Live Musical Concert with your favorite Singer, Arijit Singh What makes his performance so unique is the flow in which he performs.

- Anyone visiting the campus is a “Guest” and not a “Visitor”. This was the 1<sup>st</sup> experience at the reception when the FIM(First Impression Manager) I prefer to call them by this instead of “receptionist” since the young lady called and used words such as “Guest” to inform ahead.

- When I walked around the campus, I felt everyone was “on stage” and the unknown audience giving warm smiles, this came out naturally.

- Staff Members were ardent about the feeling of being “Cast members” and not “Titles”, they were doing their respective “Performances” and not “Jobs”.

- Meaningful conversations with Dr. MA Khan-Director NLDIMSR, Mr. Anish Shetty-Head Alumni Relationships & Ms. Sujata Dsouza -Head Librarian ended with a road map ahead.

- There are some things, money can’t buy for everything else.
